

Girls' Night Out

Patriotic Wreath Making

Celebrate America's 250th Anniversary with a creative evening of friendship, fun, and patriotic spirit at our special Girls Night Out Wreath Making Event! Join us as we create beautiful 18" patriotic wreaths honoring this historic milestone in our nation's story.

Participants can choose their own style with either a Traditional Patriotic design featuring classic red, white, and blue or an Americana-inspired theme with rustic, vintage charm.

We are excited that Waterlefe and Manatee River Art Guild member Jerilyn Lambdin will guide the class step-by-step, making it easy for everyone to create a beautiful wreath to proudly display at home. While this event takes place near the Fourth of July season, these wreaths are designed with timeless patriotic charm that can be enjoyed throughout the year.

Space is limited to 20 participants.
